

HEALTHINF 2017

10th International Conference on Health Informatics

<http://www.healthinf.biostec.org/>

To whom it may concern,

We are happy to inform that the paper submitted by Bernard Hernandez to HEALTHINF 2017 with number 53, entitled "Data-Driven Web-Based Intelligent Decision Support System for Infection Management at Point-Of-Care: Case-Based Reasoning benefits and limitations", has been accepted as a Full Paper, to be presented next February (21 - 23) at Porto, Portugal.

All papers accepted to HEALTHINF 2017 were peer reviewed by at least two experts from the international program committee, in a double-blind review process. The paper will be published in the conference proceedings with up to 12 pages, and after being presented at HEALTHINF 2017 it will be included in the SCITEPRESS Digital Library under a specific DOI to be specified after the proceedings are published, and submitted for indexation to Thomson Reuters Conference Proceedings Index, Engineering Index, DBLP, INSPEC and Scopus.
